Dear Liz,

Please accept this letter as my request to be considered as a candidate for nomination and re-election to the Xtend Board of Directors. It would continue to be an honor to serve if re-elected. My passion for the Credit Union Movement and its cooperative orientation and philosophy has never been stronger. One of the significant advantages to the credit union industry movement is our ability to cooperate with one another. Xtend is a such an amazing testament to this proven power of cooperative collaboration.

I have enjoyed my time on the Xtend Board, I have learned a lot, and I cannot help but feel a sense of pride relative to the organization's accomplishments. Even more exciting, I believe, are the possibilities for Xtend over the next several years. I would be thrilled to be a part of that success as a member of the Board of Directors. Working alongside Xtend's Management Team, I would truly welcome the opportunity to continue to serve as part of the Xtend Board of Directors.

Sincerely,

A handwritten signature in black ink that reads "James C. Miles". The signature is written in a cursive style with a large initial "J".
