

Social Media Management

About

Build your digital brand with Xtend Social Media Management. Effortlessly manage social presence, boost engagement, and attract new members with one login.

Digital Packages

Convenient social media management via Xtend's Social Portal. Access all your social media accounts in one place, with one login. Create an effective online presence with content calendars, custom approval workflows, and report building.

There are two packages available:

- Self-Service
 - Gain access to our tools and integrations. Manage your own social media accounts from Xtend's Social Cloud Portal.
- Collaborative
 - We'll create posts for you! Work with Xtend to create content via Xtend's Social Portal. We'll schedule posts to your specifications, and provide content effectiveness reports.

Pricing

\$1,000 Set Up
